

You Are My Friend

1

I look and you wave.
You are my friend.

2

We play a game.
You are my friend.

We dance and sing.
You are my friend.

We slide and swing.
You are my friend.

We smile and laugh.
You are my friend.

We get mad now and then.
Are you my friend?

We hug and smile again.
You are my friend.

I go and you wave.
Yes! You are my friend.
